Congratulations. You are to be commended for running the race, for persevering to the end of this course! I am so proud of you and so grateful for each one of you. Thank you for enduring and being women of insight who will give understanding to the many. (so you are the few!)

Now, chase those rabbits you didn't have time to chase. Read over 1 and 2 Thessalonians over the break and familiarize yourself with the text. We will begin our 17 week study on January 7th.

Don't forget to bring your buddy to class!! I pray our class will double in size so that we will have more people of insight that can give understanding to the many.

You are people who know their God, so you will arise and take action.
